PUBLIC INFORMATION MEETING

Your Input is Needed on the Proposed Loop 303 Freeway Extension (Interstate 10 to Proposed State Route 801)

**Thursday, November 15, 2007
Liberty Elementary School Multi-purpose Room
19818 W. Highway 85 (MC 85), Buckeye, Arizona
6-8 p.m. (Presentation at 6:15 p.m.)**

Study area and alternative corridors

The Arizona Department of Transportation and the Federal Highway Administration, as the lead federal agency, are conducting a public information meeting for the proposed Loop 303 freeway extension south of Interstate 10. The purpose of the study is to provide a freeway connection between I-10 and the proposed State Route 801. The proposed Loop 303 is another element of the Regional Transportation Plan associated with the passage of Proposition 400 in November 2004.

The purpose of the public information meeting is to present the two alternatives that are being considered for further study and to gather public input. Representatives from the ADOT study team will deliver a presentation and be available to answer your questions at this meeting. The Flood Control District of Maricopa County will be available to discuss recommended concepts for regional flood control structures along the Loop 303 from I-10 to the Gila River. Information regarding adjacent projects will be available. For additional study and meeting information or to submit comments in writing, please contact Timothy Tait, c/o Loop 303 Study Team, 3200 East Camelback Road, Suite 350, Phoenix, AZ 85018, phone: 602.288.9905, fax: 602.522.7707, or e-mail: <ADOT@PolicyDevelopmentGroup.com>. Written comments should be submitted by December 13, 2007.

Americans with Disabilities Act (ADA): Persons with a disability may request a reasonable accommodation such as a sign language interpreter, by contacting Michael Book at 602.288.9905. Requests should be made as early as possible to arrange the accommodation. This document is available in alternative formats by contacting Michael Book at the telephone number referenced above.
